DANIELE ROCCHI

Vice Rector for Technology
Transfer and Corporate Relations
at the Politecnico di Milano

Daniele Rocchi

Vice Rector for Technology Transfer and Corporate Relations at the Politecnico di Milano

Daniele Rocchi is a Full Professor of Applied Mechanics and Vice Rector for Technology Transfer and Corporate Relations at the Politecnico di Milano, where he earned both his Master's Degree and PhD in Mechanical Engineering.

Currently Dean of the PhD School and Elected Member of the Academic Senate, he has also served as a member of the Scientific Board of the Wind Tunnel and as Coordinator of the PhD Programme in Mechanical Engineering.

Internationally recognized in the field of wind engineering and train aerodynamics, he has contributed to over 160 publications on major projects and research. Through his various institutional roles, he has honed his management and strategic vision in research and education.
